HOTEL SUPPLIES

V1. 2024

Since 2006, MAMIBA Cosmetics has been a global leader in supplying premium personal care products to prominent hotel chains. With clients in more than 30 nations and global distribution hubs, MAMIBA has extended its reach to more than 4 continents. Brands in the hospitality sector choose MAMIBA as their long-term partner because it is the top producer of premium hotel amenities in the Middle East and Africa.

All product packaging at MAMIBA is recyclable, and the company is accredited to both ISO 9001:2015 and ISO 22716:2007. With more than 50% renewable energy and a solar-paneled rooftop, MAMIBA is dedicated to lowering its carbon footprint. In addition, MAMIBA has HALAL certification for all of its cosmetics and RSPO certification for its soaps. Join MAMIBA Cosmetics in their pursuit of excellence and global expansion!

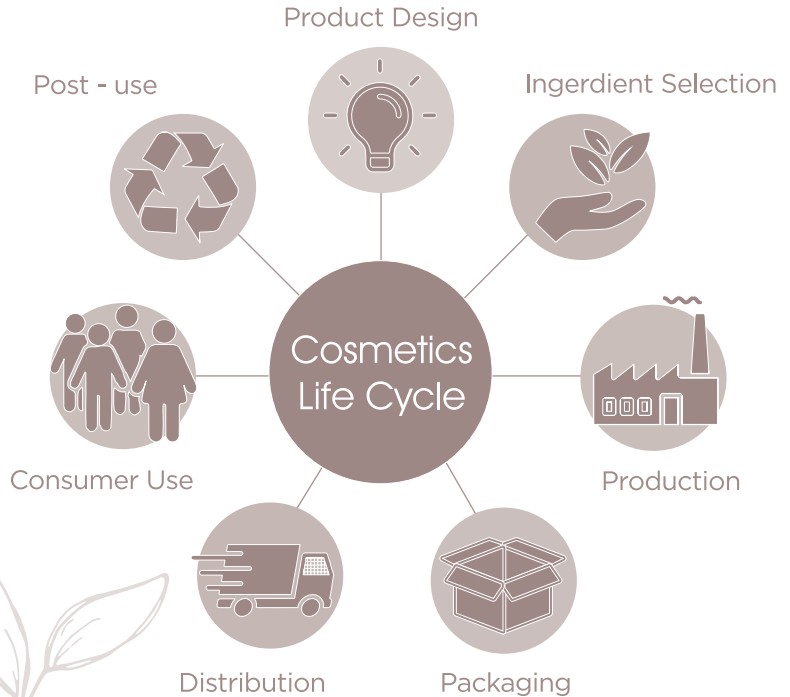

## A 360° APPROACH

Leading the Way in Sustainability: MAMIBA Cosmetics proudly powers its factory with solar energy, covering the entire roof with state-of-the-art solar panels. Our commitment to green energy ensures a brighter, cleaner future for Egypt and beyond.

# ECO POLICY

MAMIBA's sustainability policy is built on five pillars: product design, ingredient selection, eco-friendly packaging, responsible production, and green supply chain and distribution. We're committed to the planet at every step.

# MAMIBA'S COMPREHENSIVE DEVELOPMENT AND PRODUCTION PROCESS

## RESEARCH AND DEVELOPMENT

Our dedicated R&D team comprises scientists who are continually working on developing and refining cosmetic formulations. This team ensures all products meet the regulatory standards required in various global markets, guaranteeing safety and compliance.

## QUALITY CONTROL AND QUALITY ASSURANCE

We uphold the highest standards of quality by conducting extensive chemical and microbiological tests at each stage of production. Our quality control and assurance processes are integral to maintaining product integrity and customer satisfaction.

## PRODUCT DESIGN

At MAMIBA, our product development team meticulously designs packaging and labels for a diverse range of products. From bathroom amenities to guest room accessories, our team ensures every item reflects the quality and elegance our clients expect.

## PLASTIC MANUFACTURING

We utilize state-of-the-art injection and blow-molding machines to craft durable and aesthetically pleasing plastic packaging and accessories. This process allows for high precision and quality in all our plastic-based products.

## ACCESSORIES PRODUCTION

We produce a variety of guest accessories including shower caps, laundry bags, shoe mitts, and slippers. Our production utilizes a wide range of fabrics and materials, ensuring both comfort and functionality.

## PRINTING

Our facilities are equipped with advanced silk-screen and pad printing technologies. These methods enable us to customize packaging and accessories with detailed, vibrant designs that cater to the specific branding needs of our clients.

Through this integrated approach, MAMIBA ensures that every product not only meets but exceeds the expectations of luxury and quality that our prestigious clients deserve.

ACQUA DI  
PORTOFINO

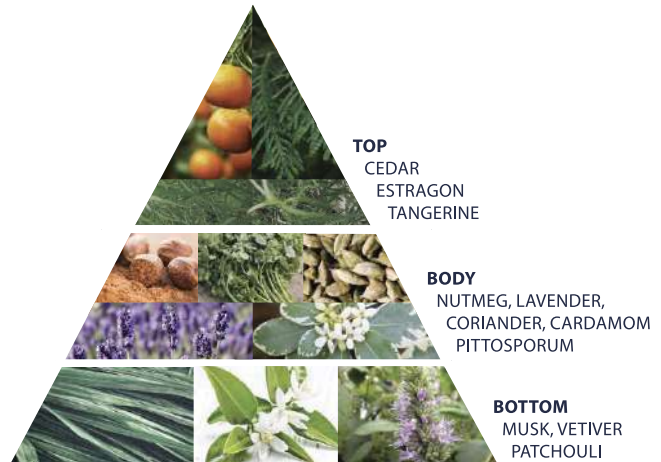

## ACQUA DI PORTOFINO

Portofino is the pearl of the Riviera di Levante, the branch of the Ligurian Riviera where the sun rises. It is a welcoming harbor that in Roman times served as a rest stop for ships navigating from Rome to Marseilles. It is a naturally deep harbor where vessels can safely cast anchor for shelter.

Acqua Di Portofino was born by a young manager's idea, Mrs. Francesca Casiraghi, who created the luxurious patent parfum especially for the members of the Royal Italian Yacht Club in Genova. Acqua Di Portofino provides a unique feeling of beauty and marvelous prosperity with the sense of poems and music with every touch.

Available in 50ml & 100ml bottle and 400ml dispenser with single, double and triple stainless steel brackets.

# Azzurro

Portofino is the pearl of the Riviera di Levante, the branch of the Ligurian Riviera where the sun rises. It is a welcoming harbour that in Roman times served as a rest stop for ships navigating from Rome to Marseille. It is a naturally deep harbour where vessels can safely cast anchor for shelter.

We've formulated the Azzurro Collection by Acqua di Portofino to make hotel guests feel the same refreshment as would a weary traveler stumbling upon the breathtakingly beautiful harbor of Portofino. A pleasantly invigorating start to anyone's day. Azzurro is a sea-inspired collection with refreshing marine notes that is free of sulfates, parabens and silicones.

# LILI

In creating the M.Lili Collection, we knew we wanted to give hotel guests no less than an exquisite experience. Thus, we looked no further than the sweet pea flower. Found in southern Italy, the sweet pea flower is known for its cheerful, long-lasting sensuously sweet scent. Formulated with delicate and moisturizing ingredients, M.Lili creates a relaxing floral experience, a sunny summer day in Sicily.

In hospitals, during recovery and while undergoing certain treatments, using extremely gentle and conditioning toiletries is a necessity. Dr.Phi Sensitive Scalp & Skin collection combines ingredients that are mild and safe for skins prone to irritation or inflammation.

Cancer patients have a sensitive scalp and experience dry, brittle hair or hair loss. Some can have an unpleasant smell on the hair and scalp.. Dr. Phi products are specifically formulated to be safe for use in hospitals, during recovery after operations, and during cancer treatments. They help soothe an irritated scalp and skin while protecting them from the harmful effects of chemotherapy or radiation.
